

AI-FDS Student Investigation Brief

Plain-language findings, priority actions, and traceable technical evidence

Case: AI-FDS-CURATED-DEMO-20260801	Generated: 2026-08-01 15:48:00 (Asia/Kuala_Lumpur, GMT+08:00)
Purpose: Lecturer walkthrough using curated non-personal email, transcript, and reserved-number phone evidence.	Evidence reviewed: 8

Investigation Summary

8 Evidence	5 Immediate	0 Review	3 No immediate action
----------------------	-----------------------	--------------------	---------------------------------

What should I do next?

1	Pause contact and do not send money, credentials, OTPs, files, or remote access. Stopping the interaction limits further exposure while the evidence is verified.	Immediate
2	Stop payment and contact the bank or payment provider through its official fraud channel. Fast reporting may improve the chance of limiting or tracing a transfer.	Immediate
3	Do not disclose the code or password; change exposed credentials and contact the account provider. OTPs and passwords can enable account takeover.	Immediate

Evidence Review

Evidence 1 - Phone		No Immediate Action
Result: Lower concern	Evidence score: 8.0%	Time: 2026-08-01 09:07:00
Source: +447700900102	Analysis method: Curated Phone Demo Fixture	Score meaning: Curated expected concern
Why: The seeded fixture represents a lower-concern phone scenario and does not identify a real caller. Key indicators: Reserved demo number, No curated scam reports, Routine campus contact Relevant excerpt: +447700900102 campus office Next action: Call the organization using a number from its official website or trusted statement.		
Evidence 2 - Phone		Immediate Action Required
Result: High concern	Evidence score: 86.0%	Time: 2026-08-01 09:06:00
Source: +447700900101	Analysis method: Curated Phone Demo Fixture	Score meaning: Curated expected concern
Why: The seeded fixture represents a high-concern phone reputation scenario without storing a real person's number. Key indicators: Reserved demo number, Bank impersonation tag, 31 curated reports Relevant excerpt: +447700900101 bank impersonation Next action: Pause contact and do not send money, credentials, OTPs, files, or remote access.		

Evidence 3 - Transcript		Immediate Action Required
Result: Scam	Evidence score: 90.0%	Time: 2026-08-01 09:05:00
Source: demo_transcript_police_case.txt	Analysis method: Transcript DistilBERT/TF-IDF Ensemble	Score meaning: Curated expected concern
Why: Authority impersonation, secrecy, and urgent transfer instructions indicate high-risk scam behavior. Key indicators: Authority impersonation, Secrecy request, Money transfer pressure Relevant excerpt: Keep this confidential. Next action: Pause contact and do not send money, credentials, OTPs, files, or remote access.		

Evidence 4 - Transcript		No Immediate Action
Result: Non-scam	Evidence score: 14.0%	Time: 2026-08-01 09:04:00
Source: demo_transcript_advisor_portal.txt	Analysis method: Transcript DistilBERT/TF-IDF Ensemble	Score meaning: Curated expected concern
Why: The call points to an official portal and contains no money, credential, secrecy, or threat indicators. Key indicators: Official portal, Routine academic process, No secrecy request Relevant excerpt: Advisor: Your course registration form is due Friday. Next action: Retain the earliest available recording, transcript, timestamps, and unedited working copy.		

Evidence 5 - Transcript		Immediate Action Required
Result: Scam	Evidence score: 92.0%	Time: 2026-08-01 09:03:00
Source: demo_transcript_bank_otp.txt	Analysis method: Transcript DistilBERT/TF-IDF Ensemble	Score meaning: Curated expected concern
Why: The caller impersonates a bank and requests TAC/OTP codes under immediate pressure. Key indicators: Bank impersonation, OTP request, Pressure to stay on call Relevant excerpt: Do not end this call. Next action: Pause contact and do not send money, credentials, OTPs, files, or remote access.		

Evidence 6 - Email		Immediate Action Required
Result: Suspicious	Evidence score: 84.0%	Time: 2026-08-01 09:02:00
Source: demo_email_scholarship_fee.txt	Analysis method: Email TF-IDF Ensemble	Score meaning: Curated expected concern
Why: Unexpected scholarship reward plus urgent processing-fee pressure is a common student-targeted scam pattern. Key indicators: Unexpected reward, Processing fee, Same-day pressure Relevant excerpt: Pay the RM150 processing fee today by instant transfer or your award will be cancelled. Next action: Pause contact and do not send money, credentials, OTPs, files, or remote access.		

Evidence 7 - Email		No Immediate Action
Result: Legitimate	Evidence score: 10.0%	Time: 2026-08-01 09:01:00
Source: demo_email_library_notice.txt	Analysis method: Email TF-IDF Ensemble	Score meaning: Curated expected concern
Why: The message is routine and does not ask for money, OTPs, passwords, secrecy, or off-platform verification. Key indicators: Routine campus notice, No payment request, No credential request Relevant excerpt: Please bring your student card. Next action: Do not disclose the code or password; change exposed credentials and contact the account provider.

Bank impersonation	Transcript #5	High

Visual Evidence Summary

Interpretation note: email probabilities, transcript/audio risk signals, and phone evidence scores use different methods and are not directly comparable.

Reviewer Note

Verify suspicious contact through official channels, do not share OTP/passwords, preserve the evidence, and report urgent financial or identity-related requests to the relevant campus or organisation support team.
